3. Workshops & tutorials for Milan

The SC has accepted the following workshops for the 2013 conference in Milan:

- Petri Nets and Software Engineering (PNSE)
Daniel Moldt & Heiko Rölke
- Modelling and Business Environments (MODBE)
Daniel Moldt
- Biological Processes & Petri Nets (BIOPPN)
Gianfranco Balbo & Monika Heiner

The W&T chairs have also received a proposal for a continuation of the Model Checking Contest which was accepted.

As in 2012, the only advanced tutorials in 2013 will be the two tutorials on the last day of the Petri Net Course (Tuesday). It will be possible to participate in these tutorials without following the rest of the Petri Net Course.
